**NEW YORK YACHT CLUB PARTNERS WITH SSI PETROLEUM AND ITS SUBSIDIARY PALM BEACH MARINE FUEL TO PROVIDE MEMBERS WITH PERSONALIZED SERVICES AND PRODUCT OFFERINGS**

October 15, 2020

SSI Petroleum is pleased to announce its strategic alliance with the New York Yacht Club and its members. Operating since 1964, SSI has become Florida's leading vessel-direct provider of marine fuels, lubricants, fuel additives, and fuel removal and maintenance services. With locations throughout Central and South Florida, SSI Petroleum, and its subsidiary Palm Beach Marine Fuel, is uniquely positioned to service vessels throughout most of the State. In addition, through their global network of suppliers, brokers, and traders, SSI can create a new and more efficient procurement platform to meet NYYC members' needs in various markets, both domestically and abroad.

*"We are honored for the opportunity to partner with New York Yacht Club and its members. As a lifelong marine enthusiast, the history and traditions of the NYYC are second to none, and we look forward to providing its members with the highest level of care and support in everything we do," said Chief Operating Officer Carlos Arruza Jr.*

With this partnership, NYYC members visiting Florida can expect **group price discounts, prioritized deliveries, unequaled service and support**, and a **commitment to safety and efficiency** in everything SSI does. Additionally, members will be able to maintain continuity throughout the process with a single **point of contact** for logistics and preparations as well as having **on-site supervisory personnel** to ensure bunkering activities goes smoothly and safely.

The New York Yacht Club's alliance with SSI Petroleum will provide benefits that extend beyond Florida. The synergies created will enable SSI to implement a unique system whereby NYYC members can benefit from their collective volume, via a shared procurement platform, to secure the most competitive pricing, wherever they may be located.
